

Bristol Uniforms Ltd

Quality Policy

Bristol Group

(Bristol Uniforms Ltd including Bristol Care and BMS Ltd)

The Bristol Group is a service provider, manufacturer, designer and supplier to a worldwide customer base of personal protective equipment and managed care packages.

The managed care services include: -

- correct fitting of garments and auxiliary equipment;
- aftersales maintenance and inspection of all equipment;
- logistics solutions for the delivery, collection and care of all equipment;
- innovative solutions to ensure constant fitness for purpose of equipment;
- stock support of PPE items;
- decontamination services.

The products supplied include: -

- garments, designed and manufactured by Bristol Uniforms;
- personal protective equipment, apparel and ancillaries procured from an approved 3rd party supplier.

The Group will maintain its market-leading position by: -

- the continuous search for increased customer satisfaction regarding quality, reliability and timeliness of service;
- the constant implementation of improved manufacturing processes;
- the delivery of innovative designs using the latest components and protective finishes;
- the application of a Quality Management System which complies with the requirements of BS EN ISO 9001:2015.

The Top management commitment to the Quality Management System (QMS) is: -

- to provide a framework for setting quality objectives;
- to satisfy the applicable requirements;
- to provide resources needed to implement and improve the QMS.

I P Mitchell
Joint Managing Director
